

Read-Up! group works in light of the values of equality, accessibility and professionalism for each individual.

The group works and promotes the issue of accessibility as defined in accessibility legislation and views persons with disabilities as having equal rights.

Website accessibility

The website must comply with the accessibility guidelines of Israeli Standard 5568-Guidelines for the Accessibility of Content on the Internet" at the AA level. This Israeli standard is identical to the international organization's guidance document for Web Content

Accessibility Guidelines (WCAG) 2.0.

It should be noted that despite our efforts to make every page of the site accessible, gaps may be discovered.

We continue our efforts to improve the accessibility of the site as part of our commitment to make it available to everyone.

We welcome suggestions for improving accessibility service.
